## Who We Are

At **ABP IMPEX LDA** , we have established ourselves as a **leading provider in the compressor industry** , with over **35 years of experience** in the maintenance, repair, and parts supply of high- and low-pressure compressors. Throughout our journey, we have maintained a steadfast commitment to delivering **reliable, efficient, and cost-effective solutions** to clients across **35+ countries** worldwide.

From our modest beginnings to our current standing as an internationally recognized name, we have built a reputation for **innovation, integrity, and customer satisfaction**. Our team is dedicated to staying ahead of industry advancements, ensuring we provide the latest and most efficient technologies to meet your business needs.

We are also proud to be **strategic partners with M.R. Organisation Limited**, a collaboration that has strengthened our position in the industry. Our strong partnership with MRO allows us to leverage their expertise and resources, further enhancing the quality and reliability of our services and products.

## Our mission is clear:

- ✓ To provide **tailored solutions** that ensure the longevity and efficiency of your compressor systems.
- ✓ To offer **cutting-edge technology, premium spare parts, and expert services** that contribute to your operational success.
- ✓ To uphold **the highest standards of quality, reliability, and customer service**, establishing ourselves as your trusted partner in compressor solutions.

Compressor Brands we serve:  
**AF | ABC | BELLISS & MORCOM | ATLAS COPCO**  
**INGERSOLL RAND | KAESER**  
and 20+ Other

## Why Choose Us?

When it comes to compressor solutions, we stand out for our commitment to excellence, reliability, and a customer-first approach.

Here's why clients trust us:

### ✓ Fast & Reliable Service

- We recognize the critical nature of compressor performance, offering prompt and reliable service to reduce downtime and keep your operations running smoothly.

### ✓ Tailored Solutions for Every Customer

- We understand that each business is unique, which is why we provide customized solutions that meet your specific requirements.

### ✓ Extensive Industry Experience

- With decades of expertise, our team has the knowledge and skills to offer the best solutions for your compressor systems.

### ✓ Commitment to Quality & Innovation

- We prioritize **quality and innovation**, consistently improving our offerings to provide the best and most advanced solutions available.

### ✓ Strategic Partnership with MR Organization Limited

- Our collaboration with **MR Organisation Limited** strengthens our ability to deliver top-quality, reliable, and cost-effective compressor solutions. Together, we bring enhanced expertise and capabilities to better serve your needs.

## Contact Us Today!

Let **ABP IMPEX LDA** be your trusted partner in achieving optimal compressor system performance. Whether you need expert advice, high-quality parts, or reliable services, we're here to support your success.

# Industries We Serve

We take pride in providing superior compressor solutions across various industries, ensuring reliability and performance for all sectors:

- **Food & Beverages** – Oil-free and high-efficiency compressors for food processing, packaging, bottling, and beverage carbonation
- **Steel** – Delivering efficient compressed air solutions to optimize production processes.
- **Power** – Supporting energy generation with advanced compressor systems.
- **Robotics** – Precision air supply for robotic automation in manufacturing and logistics
- **Textile** – Maintaining efficient operations in the textile production and processing industry.
- **Glass** – Offering precision air solutions for high-quality glass manufacturing.
- **Chemical** – Meeting the rigorous demands of the chemical industry with robust compressor systems.
- **Plastic** – Supporting seamless production processes in plastic manufacturing.
- **Gas & Oil** – Offering dependable solutions to support the energy sector.
- **Coal & Mining** – Enhancing mining operations with efficient, durable compressor solutions.

No matter your industry, **ABP IMPEX LDA** is dedicated to delivering solutions tailored to meet the unique demands of your operations.

Compressor Brands we serve:  
**AF | ABC | BELLISS & MORCOM | ATLAS COPCO**  
**INGERSOLL RAND | KAESER**  
and 20+ Other

## Our Services

We offer a wide range of services, all designed to optimize the performance and reliability of your compressor systems, ensuring your operations run smoothly with minimal downtime:

### ✓ Compressor Maintenance & Repairs

- Comprehensive maintenance and repair services to maximize performance.

### ✓ Aftermarket Repair Kits for Leading Brands

- Top-quality repair kits compatible with brands like **AF, ABC, Belliss & Morcom, Atlas Copco, Ingersoll Rand, Kaeser**, and 20+ others.

### ✓ Tailored Maintenance Plans

- Customized maintenance plans designed around your unique operational needs.

### ✓ 24/7 Support for Repairs & Rebuilds

- Round-the-clock support for any urgent repair or rebuild needs, ensuring no unexpected interruptions.

### ✓ Rebuilt Compressors for Cost-Effective Solutions

- Professionally reconditioned compressors that provide reliable performance while being budget friendly.

### ✓ Compressor Maintenance Training - Level 1&2

- Expert-led training programs designed for clients and maintenance professionals, equipping them with essential skills for effective compressor upkeep

# Our Product Range

**We supply over 60,000+ aftermarket replacement parts to enhance operational efficiency.**

- Vacuum Pump Kits & Parts – Optimized for superior vacuum system performance.
- Screw Compressor Parts – Precision-engineered for reliability.
- Piston, Centrifugal & Rotary Compressor Parts – High-quality components for various compressor types.
- Valves – Essential for temperature and airflow regulation.
- Filter Elements & Coolers – Ensuring optimal system performance.
- Compressor Oil – Superior lubrication for longevity.
- Stainless Steel Hose Pipes – Over 2,000 durable industrial-grade options.
- Airend – New and Rebuild
- Couplings – Ensuring smooth power transmission.
- Rebuilt Compressors – High-performance, cost-effective units with a guaranteed air flow rate.
- New and Reconditioned Electrical Panels – High-quality, reliable electrical panels, both reconditioned and brand new, designed to meet your operational needs.
- Industrial Machinery & Equipment – Comprehensive tools for diverse applications.
- Customized Solutions – Tailored products and services to meet unique needs.

## Quality Assurance & Global Reach

At ABP IMPEX LDA, we maintain the highest quality standards, partnering with trusted manufacturers to ensure compliance with international benchmarks.

## Rebuilt Compressors

Compressor Brands we serve:  
**AF | ABC | BELLISS & MORCOM | ATLAS COPCO**  
**INGERSOLL RAND | KAESER**  
and 20+ Other
